

VISITOR RESTRICTIONS

FRANCES MAHON
DEACONESS HOSPITAL

Please do not come to FMDH if you do not need medical care. In response to rapidly changing developments with the coronavirus (COVID-19), new visitation and admission restrictions are in effect. Visitors should refrain from coming to our facility.

PATIENTS ENTERING FMDH FACILITY:

Access to the FMDH facility is currently limited to those with appointments only, with the exception of the Emergency Department. All patients will be required to verify their appointment upon entering.

VISITORS:

NO Visitors are allowed unless:

- You are a support person for an obstetric patient in labor.
- You are a designated driver for a surgery patient.
- The patient is a minor.
- The patient is physically unable to come alone.

Any visitor that fits one of the above criteria must be healthy and may not display any signs of:

sore throat

chills

stuffy nose

fever

cough

aches

headache

CLOSED DEPARTMENTS:

Administration
Cardiac Rehabilitation
Gift Shop
Health Information Management
Home Oxygen/DME*

Nutrition Services/WIC
Occupational Therapy
Patient Accounting
Physical Therapy
Pulmonary Rehabilitation
Visiting Specialists

*For assistance from Home Oxygen, call 228-3500, dial 0, and ask for Home Oxygen.

5TH AVENUE PHARMACY:

5th Avenue Pharmacy is currently open to DRIVE-THRU business ONLY.

EFFECTIVE IMMEDIATELY THROUGH MARCH 30, 2020

Thank you for your cooperation and understanding.
