

KLTZ/MIX-93

THE GREAT SCOT

ISSUE 1 | MARCH 2019

SPORTS!

What. A. Month. Over the course of February, our stations managed to air a whopping 70 basketball games! More tournament coverage continues in March.

WHO IS THAT?

Listening to our stations and hear a new voice? It's likely Amber Omara. A 2016 GHS graduate, she is the newest member of our KLTZ/Mix-93 staff!

WELCOME!

We're proving that you can teach old dogs new tricks! Welcome to our monthly KLTZ/Mix-93 newsletter, "The Great Scot," a recap of the month past and a preview of the month to come!

A lot has changed since KLTZ-1240 AM first went on the air in August of 1954. When sister station KLAN-93.5 FM joined it in October of 1983, we'd never dream we'd be configuring

apps or navigating a web stream. But here we are, literally rocking it.

With a revamp of our apps in late 2018, you can now download the KLTZ app from the App Store or Google Play and listen to both stations anywhere you have cell coverage or wifi!

We look forward to hearing from you. We can always be reached by calling (406) 228-9336 or emailing kltz@kltz.com.

BIG COUNTRY NOW ON FM!

Are you a fan of Big Country? Along with listening to KLTZ on its traditional 1240 AM location, you can now also hear our station on the FM dial at 102.5.
