SIZZLIN' SUMMER. . .

It's the summer of radio coverage! As events heat up around the region, KLTZ/Mix-93 is locked and loaded to take part.

The 2019 Governor's Cup fishing tournament will be held July 11-13. Along with providing coverage during the event, Haylie and Stan will also be joining Gov Cup Committee Chair Todd Young for pre-fishing during "LIVE Under the Big Sky" on Wednesday, July 10.

Immediately following the Gov Cup coverage, we'll be airing Glasgow Reds District Baseball Tournament action July 17-21.

Wrapping up the month will be the Northeast Montana Fair. Along with numerous reports from the grounds, we'll again be hosting our Competitive Eating Relay on Friday, August 2. Call KLTZ/Mix-93 at 228-9336 or email kltz@kltz.com to get your team signed up!

KILTS CAR

In 1960, KLTZ purchased a rear-engine Chevy Corvair from Terry Chevrolet-Buick. It would provide KLTZ's first ever on-the-spot coverage. It was granted a mobile transmitter in 1961 and boasted a mobile range of 30-60 miles dependent upon terrain.

“Radio continues to be the very best advertising music performers have. No one who ever grabbed a Grammy got there without radio.”

- Gordon Smith

“Live Under the Big Sky: A Talk Show for Montana's Forgotten Corner” airs on KLTZ each Tuesday, Wednesday, and Thursday from 9:05-10 a.m. Miss a program? Head to www.kltz.com and click on the “Live Under the Big Sky” link to listen back to past programs!
